

Welcome to Mr Priceless!

A PERSONAL LETTER FROM ROCKY

Kia ora

We're pretty picky about who we work with, so if we've said yes, it's because we genuinely reckon we can get you great results. We're really looking forward to this one.

Our job is simple: get quotes booked in with the right kind of work. Yours is to keep doing what you do best, and let us know how those quotes are landing so we can keep fine-tuning things.

Have a read through, and flick us a message if anything doesn't make sense.

Cheers, **Rocky**

YOUR ONBOARDING CALL

YOUR ADS GO LIVE
Around

Your two jobs

Get these ready for our onboarding call, and tick them off as you go.

Before and after job photos

Have a handful ready for our onboarding call. Real work beats stock photos every time.

A photo of you, and one of the team

People hire people, and faces in ads get more enquiries. **No need for perfect photos. A quick phone snap is exactly right.**

Like this. Perfect.

One of our clients. Anywhere works, we can edit the background. And yes, we can edit out the V socks.

YOUR GO-TO PERSON

10

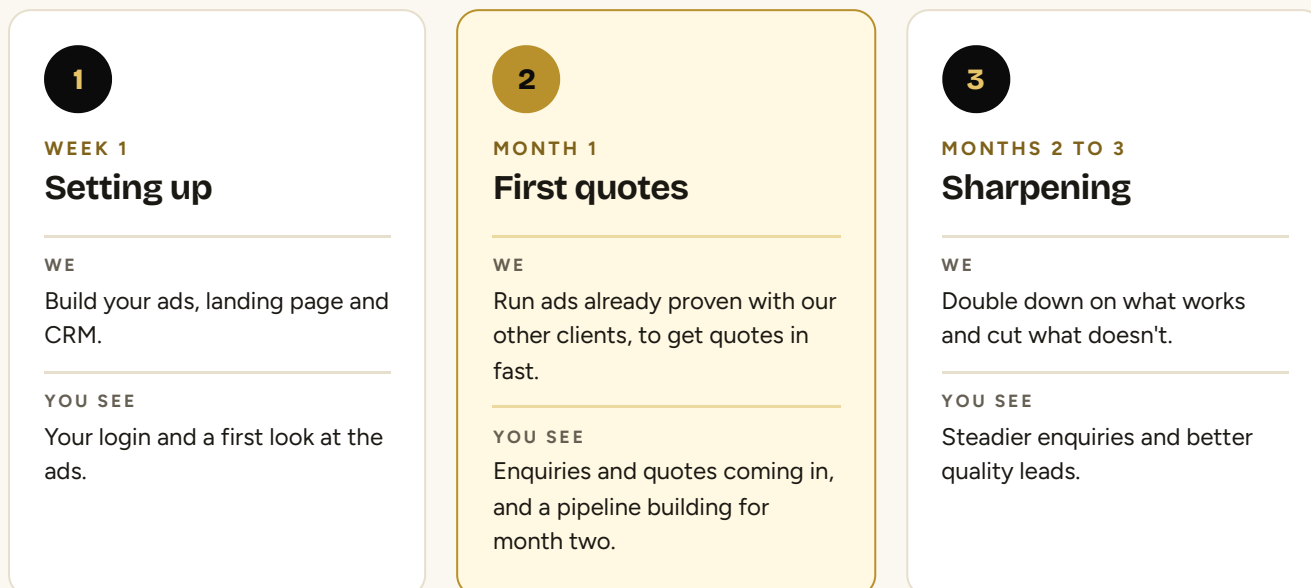

OUR PROMISE

10-quote guarantee

We're backing ourselves to get you 10 quotes booked. You'll see the count in every report.

Enquiries first, then quotes, then jobs

How the first few months usually play out.

Every fortnight you'll get a report: what we spent, how many leads came in, and what each one cost.

THE HONEST BIT

What to expect, straight up

Paid leads aren't word of mouth.

Referrals will always be your best source, but they're hard to scale. Paid leads fill that gap. They convert a bit lower, and that's normal.

Month one is the warm-up.

You might not win a job in the first month, and that's normal. You'll head into month two with a pipeline of leads and quotes built, and that's where it pays off.

Your feedback steers the ads.

Moving leads through the CRM stages tells us which ones were good, so we can sharpen who sees your ads.

Speed wins jobs.

The quicker you get back to a lead, the more turn into quotes. A call within the hour makes a real difference.

Welcome aboard.
Let's get you busy.

Cheers,

Rocky and Max
